

Hi David,

Thanks for your email. It sounds like not all the emails have been getting through to you, I know that earlier in the year the mailing list wasn't totally up to date. All the KCA events are as listed in the online spreadsheet, as per my previous email below (here's the link again:

<https://docs.google.com/>)

From that same link, it can also be seen that we only in fact have one event left, i.e. the 3-up on the 16th August. The link also shows the number of marshals still required for that particular event, i.e. 5, though we have in fact had a few pledges of help over the past 24 hours, so we are very close to reaching our total. But if you could get someone from your club to help out, that would be great.

Regards,

Mark
